

## STUDENT ACKNOWLEDGEMENT

I acknowledge I have received a copy of the Chafee Copyright Amendment and have been given an opportunity to review and ask questions concerning this amendment.

In conjunction with this amendment, I understand that by signing my name below, I agree that any course related files I may receive from Student Disability Resources (SDR) or Adaptive Technology & Services are for my sole use only and cannot be shared with anyone. If this agreement is broken, I understand my scanning services will be suspended.

If I retain my textbooks, I can keep the files. If I sell my textbooks, I am required to delete the files from my computer.

To receive my files from Student Disability Resources or Adaptive Technology & Services, I understand I must submit my receipt to SDR showing that I have purchased the actual text. A copy of my receipt will be kept on file in SDR.

Due to the number of textbook scanning requests processed by Student Disability Services, your Alternate Format Request and textbook receipt should be submitted as soon as possible, Delay in submitting the form and your receipt could result in your materials not being available by the beginning of each semester.

I understand that this agreement is binding for every semester I utilize textbook scanning services. I know that if I lose my copy of the Chafee Amendment, I can contact SDR for another Copy.
