<http://equity.psu.edu/ods>**VERIFICATION FORM for NEUROLOGICAL DISORDERS**

Penn State University's Office for Disability Services (ODS) has established the Verification Form for Neurological Disorders to obtain current information from a qualified practitioner (e.g., physician, neurologist, neuropsychologist) regarding a student's neurological disorder, associated symptoms, related medications, and their impact on the student and his or her need for accommodations. This Verification Form may supplement information that is provided in other reports, including neurological reports, neuropsychological evaluations, or secondary school documentation. Any documentation, including this Verification Form, must meet Penn State University's ODS guidelines for neurological disorders.

A summary of the guideline criteria for documenting neurological disorders is as follows (more information related to ODS documentation and guidelines for neurological disorders can be found at the following web site:

[Link to Guidelines for Neurological Disorders](#)).

1. Evidence of current neurological impairment;
2. Functional impairment affecting an important life skill, including academic functioning;
3. Symptoms and functional impairment attributed to neurological disorder determined through the administration of a neurological diagnostic test and/or a neuropsychological evaluation;
4. Exclusion of alternative diagnoses;
5. History relevant to current neurological impairment; and
6. Summary and recommendations.
