

1. Go to <https://psu.bkstr.com/> to order your textbooks/supplies/technology (if allowed)

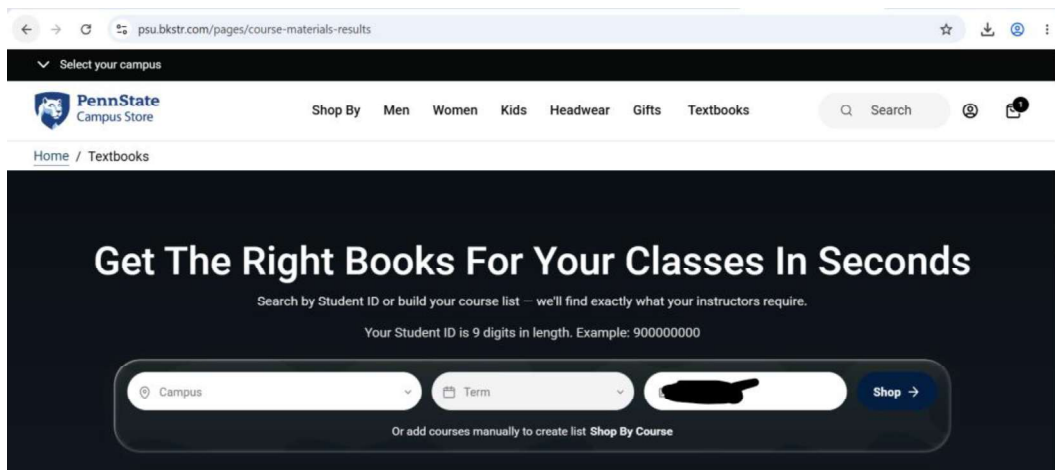

2. To look up textbooks for your course- Click on the header labeled Textbooks

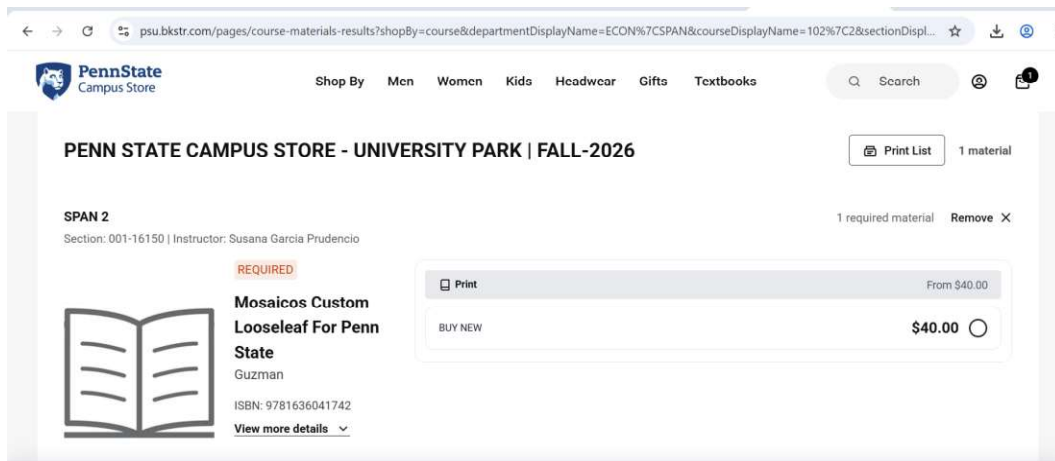

3. The below page will load- you will put in your PSU ID # (without the 3 at the beginning) and hit the Shop-> button.

4. It will take you to this page, where you will select your campus and term, then click the Shop-> button once you have selected the options.

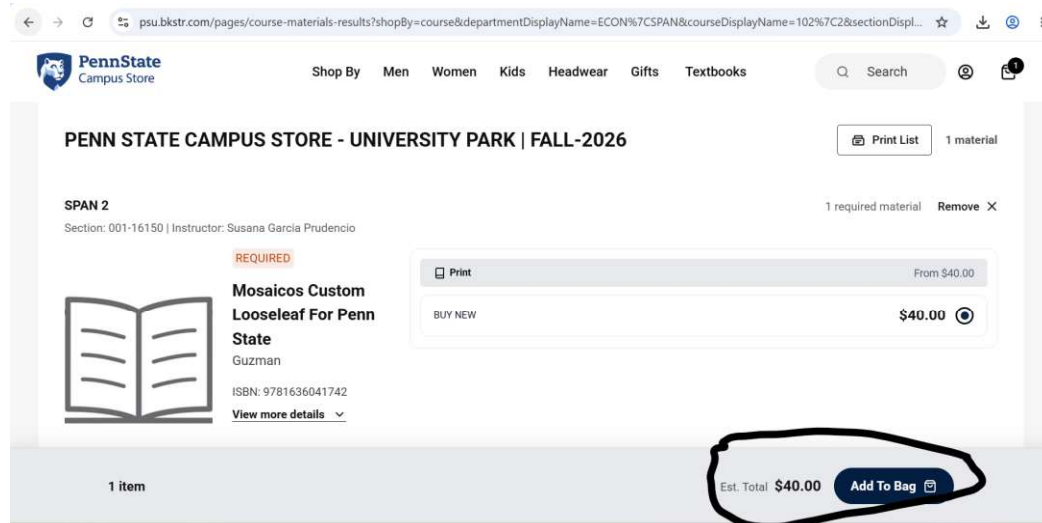

5. It will populate the books that you need for your courses:

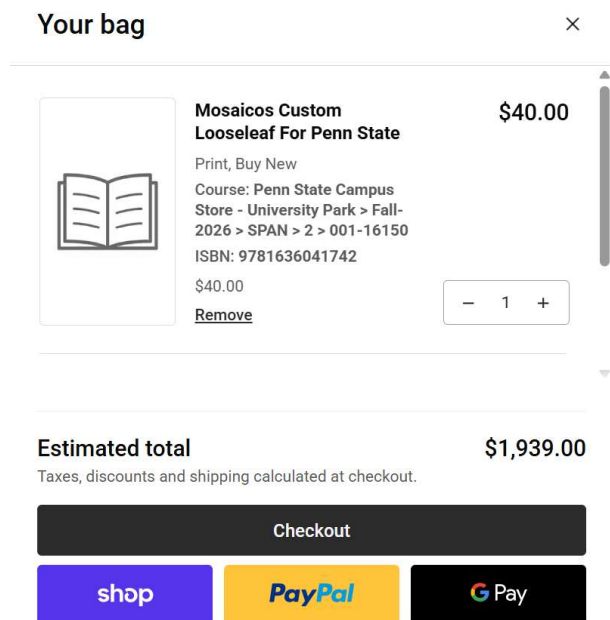

Please make sure that you follow the instructions for each course to select only required textbooks.

6. Once you select the book you need, you will then hit the add to bag button.

7. This will pop up after you add all of the items to your bag, you can either hit the checkout button, or push the X in the top right corner to keep adding things.

8. When you check out you will need to follow these steps:
- Put in email address and select between pick up at the store or ship to home.

Your textbook(s) would be able to be charged to the VA textbook account. Any items not allowed to be charged you would get a red message like in the one above. You would select Apply Funds so the book gets charged to the VA textbook account.

You should have no reason to put in credit card information, as everything should be covered by your voucher- however- if for some reason something isn't such as a t-shirt, you would need to put in your credit card information.

9. When you complete your order you will get confirmation that looks like this:

It will have your name, your confirmation number, and where it is being shipped to.

You should also receive an email with your order number, and confirmation as well.
