In-State Tuition

Request a review for Pennsylvania resident tuition.

Requests to Determine Eligibility

Recent Pennsylvania legislation requires eligible military-connected students to be charged the resident tuition rate, regardless of Pennsylvania residency.

For Prospective Students

Prospective students are students who have not yet started classes at Penn State.

Which process should I follow?

If Pennsylvania is your or your parent's current home of record or duty station...

Please contact the Office of Admissions directly by email at admissions@psu.edu with the subject line **Military Residency**.

If you or your parents are located outside Pennsylvania...

Follow the steps below to request a residency review through the Office of Veterans Programs.

If You Are Outside Pennsylvania

1 Complete the Student Letter

Download and complete the Student Letter – Military Residency.

2 Upload Supporting Documents

Upload your completed student letter and supporting documents through Military Connected In-State Residency Supporting Documents.

3 Email OVP

Email OVP@psu.edu with the subject line **Military Residency** to let us know you have submitted your request and uploaded your documents, or if you have questions.

In your email, include:

- Your full name and PSU ID
- A statement requesting a review for in-state tuition based on your military-connected, veteran, spouse, or dependent status.
